

1. SOLISTEN

*It was a frosty wintermorn, the snow lay on the ground.
A sailorboy stood on the quay, his ship was outward bound.
His sweet-heart standing by his side, she'd many a bitter tear.
And as he pressed her to his heart he whispered in her ear.*

Refrein: [koor zacht]

**Farewell, farewell my own true love, this parting gives me pain.
You'll be my own true guiding star, till I return again.
My thoughts shall be of you, my love, when storms are raging
high.
So farewell, love, remember me, your faithful sailorboy.**

2. SOLISTEN:

*It was in a gale, the ship set sail, his sweetheart standing by.
She watched the ship far out of sight, till tears had dimmed her eye.
She prayed to God in heaven above to guide him on his way.
And then those partingwords she heard, echoing o'er the bay*

Refrein: [koor zacht]

VIOOLSOLO

3. SOLISTEN:

*But sad to say, the ship returned without the sailorboy.
He lost his life far out at sea, the flag was halfmast-high.
And when his comrades came ashore, and told her he was dead,
in a letter that he wrote to her, the last lines sadly said:*

Refrein: [koor luider]

**Farewell, farewell my own true love, on earth we meet no more.
We'll meet on that eternal shore, on that bright heaven above.
My thoughts have been of you, my love, when storms were raging
high.
Now farewell, love, remember me, your faithful sailorboy.**
