

1.  
**The ship goes sailing down the bay,  
*Goodbye, my lover, goodbye.*  
 We may not meet for many a day,  
*Goodbye, my lover, goodbye.*  
 My heart will evermore be true,  
*Goodbye, my lover, goodbye.*  
 Though now we sadly say adieu,  
*Goodbye, my lover, goodbye.***

Refrein:

**Bylow my baby, bylow my baby,  
 Bylow my baby, goodbye my lover, goodbye.**

2.  
**I'll miss you on the stormy deep, *Goodbye.....*  
 What can I do but ever weep? *Goodbye.....*  
 My heart is broken with regret! *Goodbye.....*  
 But never dream that I'll forget. *Goodbye.....***

3.  
**Then cheer up till we meet again, *Goodbye....*  
 I'll try to bear my weary pain. *Goodbye .....*  
 Though far I roam across the sea, *Goodbye.....*  
 My every thought of you shall be. *Goodbye.....***
