Solist:

*Sailin' home across the ocean.
 Sailin' home we're going to be free.
 Down below the crew 's in motion,
 To defy the violence of the sea.*

**Feelin' young, feelin' strong,
 At the height of the fight,
 So nothing can go wro-o-ong.
 We know we always wanna be fighting the sea.**

Sailin' home [3x hoog]
Sailin' home [1x laag]
Sailin' home [3x hoog]
Sailin' home [1x laag]
Sailin' home [1x hoog]

*Giant waves are rolling higher.
 It's gonna be a cold and rainy night.
 Hands on deck are raw and tired,
 Praying for a sign of distant light.*

**Feelin' young, feelin' strong,
 And the might of the night,
 Is pounding dark and lo-o-ong.
 We know we always wanna be fighting the sea.**

[Muzikaal intermezzo]

**But there 's the light, and there 's the fire,
The harbour's quay, shines dimly on the shore.**

**We can see the steeple spire,
And we know we won the fight once more.**

**Feelin' young, feelin' strong,
And tonight, came out right,
Tomorrow could be wro-o-ong.**

We know we always wanna be,

Fighting the sea-ea-ea-ea-ea-ea-ea. [Bassen sea aanhouden tot Sailin'home]
