**And it's all for me grog, me jolly, jolly grog,  
All for me beer and tobacco.  
Well I spent all me tin on the lassies drinking gin,  
Across the western ocean I must...wander !**

**1. Where are my boots, me noggin, noggin boots,  
They're all gone for beer and tabacco.  
For the heels they are worn out, and the toes are kicked about,  
And the soles are looking for-better...weather !**

Refrein:

**2. Where are me shirt, me nogging, nogging shirt,  
It's all gone for beer and tobacco.  
For the collar is all worn and the sleeves they are all torn,  
And the tail is looking for-better...weather !**

Refrein:

**3. I'm sick in the head and I haven't gone to bed,  
Since I first came ashore from me slumber.  
For I spent all me dough on the lassies don't you know,  
For across the western ocean I must...wander !**
